

# Voting On 64 Local Offices In 1961

Filing, Caucuses In  
January; Three Local  
Mayors To Be Chosen

Quad-Cityans will fill 64 of  
fices in city, township, school,  
park, school trustee and justice  
district voting in 1961. Filing  
periods and a new development  
—Quad-City party caucuses—  
are scheduled for January.

All of the elections are sched-  
uled for April. The positions to  
be decided include mayors of  
all three local cities and super-  
visors of Granite City and Ven-  
ice townships. The list includes  
29 city offices, 21 township  
seven school, three park, two  
school trustee posts, a justice of  
the peace and a constable.

Thirty township offices—five  
justices and five constables in  
each of the Granite City, Venice  
and Nemo townships—will be  
eliminated with the expiration  
of present four-year terms this  
spring. Three town board mem-  
bers will be replaced in each town-  
ship to replace JPs on the boards.

Local Justice District  
With five justice districts  
created by the Madison County  
Board of Supervisors, local at-  
tention will be centered on a  
district encompassing the three  
townships and Chouteau town-  
ship Precinct One at Mitchell.  
This area will elect a single  
salaries and a single constable.

The justice will become one  
of the judicial officers in the  
Quad-Cities. The others are the  
city judge of Granite City and  
the three city police magistrates  
who will be placed on salaries  
effective with the new terms  
starting this spring.

The justice and constable will  
be elected on the same day as  
the township elections Tuesday  
April 4.

Use Township Polls  
Arrangements were made Fri-  
day at a meeting between town-  
ship supervisors and County  
Clerk Eulalia Hotz to utilize the  
same polling places in operation  
for the township voting.

With JP primaries eliminated  
at the 1960 special legisla-  
tion session in Springfield, plans were  
made Thursday by Miss Hotz,  
County Democratic chairman, and  
Republican chairmen Wilbur Gehring  
and William Simmons and County Re-  
publican Chairman Wilbur Gehring  
to name candidates of each  
caucus some time between  
Jan. 6 and 16.

Candidates wishing to run as  
independents may file petitions  
with the county clerk, Eulalia Hotz,  
Jan. 9 and 16. Other filing  
periods have not yet been an-  
nounced, but it is believed the  
city filing in Granite City will  
start Jan. 9. Township and park  
filing also will begin in Janu-  
ary, with school board filing  
starting in February.

Park, township and the Gran-  
ite City election are slated for  
April 4, with school board and  
trustee balloting Saturday, April  
8, and Madison and Venice city  
elections Tuesday, April 18.

# 2 Bogus \$20 Bills Passed Within 3 Hours Saturday

Two counterfeit \$20 bills, similar  
to those being circulated in the  
St. Louis and East St. Louis  
areas, were passed within three  
hours Saturday afternoon in  
Granite City.

Immediately after the first  
bogus bill was detected, about  
1:30 p.m. at Olga's Confection-  
ery, 2343 East 24th street, As-  
sistant Police Chief Floyd Jeff  
notified the office of the As-  
sociated Retailers, asking them to  
relay the information to all mer-  
chants.

The second counterfeit bill  
was detected about 4:30 p.m. at  
the J. J. Newberry Co. store,  
10th and State streets. A Treas-  
ury Department agent was  
summoned, and he informed  
police the bills were the same as  
those being circulated widely in  
the metropolitan area.

Lettering Different  
They can be determined by the  
Federal Reserve Bank seal and  
number. The seal, on the  
face of the bill, carries the let-  
ter "H", while the bill number  
is preceded by the letter "B".

Also, he noted, the back of the  
counterfeit bills is a lighter  
green than bona fide currency  
and the black engraving on the  
front is darker.

Police were told a woman  
passed the bogus bill at the con-  
fectionery, but no data was  
available on the person who  
passed the bill at the downtown  
store.

# 6 Persons Hurt In Weekend Traffic Accidents Here

Six persons were injured in  
three of the 12 traffic accidents  
reported in and near the Quad-  
Cities over the weekend.

Two men were hurt when  
their car struck and broke a  
utility pole at Sixth street and  
Broadway, Venice, at 5:14 a.m.  
Sunday. The driver, P. J. Mink,  
39, Kansas City, Mo., who said  
he fell asleep, was charged with  
reckless driving and property  
destruction, being released on  
bond.

Mink was treated at St. Eliza-  
beth Hospital for laceration of  
the lower lip and his passenger,  
Clarence Lettich, 29, Merriam,  
Kan., was treated there for  
abrasions to the forehead, nose  
and both ankles.

Car Hits Tree, 3 Hurt  
Three persons suffered minor  
injuries Thursday evening when  
the auto in which they were  
riding struck a culvert and tree  
along Route 162, about a mile  
west of the intersection with  
State Route 111.

State police said Dorothy  
Marie Holst, 27, of 4237 Reville  
lane was driver of the auto and  
sustained injuries along with  
two passengers, Laverne Hor-  
with, 18, of 4239 Route 162, and  
Pat Epperson, 17, of Rural  
Route 70, Edwardsville.

The troopers said the Holst  
auto was following behind the  
one in front of it.

# Plan New City Garage On Klein Street Site

Would Improve Venice  
Park Entrance; Bridge  
Delayed By Dispute

Plans for construction of a  
new city garage building on  
Klein street with funds received  
by the city of Venice from its  
operation of the McKinley  
Bridge, were announced by  
Mayor John E. Lee at Friday  
night's city council meeting.

The mayor appointed an al-  
dermanic building committee to  
oversee the garage project and  
assist in establishing a Medi-  
son-Venice animal shelter.

He said the present garage is to  
be removed, affording easier ac-  
cess to Lee Park and room for  
more parking and a possible ad-  
dition to the Venice fire house.

Land has not yet been ac-  
quired, and the garage project  
according to availability of a suit-  
able site at a reasonable price,  
Dr. Lee explained. A tract where  
a guest house, but housing project  
was located after World War II  
is under consideration, he added.

Those named to the building  
committee were Aldermen  
George Mangiacino, Oscar  
King, Harry Buente and William  
Griggs.

Noting that initial bids for the  
dog pound were considered ex-  
cessive, the mayor said specifi-  
cations are being revised. He  
asked that the newly-named com-  
mittee participate in joint plan-  
ning.

# 'Tree of Lights' Campaign Opens; 35 Lights Burning

The first 35 of the 180 bulbs  
on the Quad-Cities "Tree of  
Lights" were turned on Satur-  
day afternoon during a cere-  
mony performed at 2 o'clock on  
the lawn of the downtown Gran-  
ite City post office. Nierding-  
ton, city postmaster.

During the brief ceremony, the  
first light was turned on by St.  
Clair Shuppert of the Eagles  
Lodge, in memory of Robert  
Stewart, Roy Lynn, member of  
the Salvation Army board, gave  
the opening prayer; and Trudy  
Todd, board chairman, intro-  
duced this year's "Tree of Lights"  
campaign chairman, Randal Rob-  
ertson, local attorney.

Atty. Robertson gave a short  
talk in which he said the com-  
munity spirit of the Quad-Cities  
would provide the means for  
aiding needy families during  
the holiday season.

Music was furnished by the  
Salvation Army band, whose  
members played Christmas se-  
lections and also sang Christ-  
mas carols.

Capt. Walker said that during  
last year's campaign, \$4655 was  
raised for distribution of 350  
food-laden baskets, 750 toys  
and 72 articles of clothing. The  
baskets provided 3645 meals,  
he reported.

At the conclusion of the pro-  
gram, Capt. Walker read the  
list of donors of \$25 or more.  
She explained that a bulb is  
turned on with each contribu-  
tion of \$25 or more.

# County May Put 'Teeth' In Tavern Closing Hour Law

A stronger county liquor con-  
trol ordinance for taverns in the  
rural area, strengthening the  
closing hour restrictions, is in  
the making for the Dec. 14  
meeting of the county board of  
superiority, it was learned over  
the weekend.

Sheriff George Musso has  
been seeking such a law in or-  
der to enforce closing hours. The  
present ordinance sets forth  
hours but does not provide a  
means for enforcement or pen-  
alty.

A proposed amendment to the  
county liquor ordinance would  
put "teeth" in the regulations on  
enforcement of closing hours for  
taverns in unincorporated areas  
and provide a fine up to \$200  
for tavern operators convicted of  
violating the closing hour. Li-  
cense revocation also is to be in-  
cluded.

The present closing hours are  
1 a.m. on weekdays and 2 a.m.  
on Sundays, and there has been  
no recent mention of changing  
the hours.

In recent weeks, handbills and  
advertisements, put out by rural  
taverns outside the Quad-Cities,  
have listed closing hours beyond  
the 1 a.m. and 2 a.m. limits.

# GC Population Tops 40,000— Official Count

Police Predict 101  
Accidents This Month

An accident rate of 3.25  
per 100 cars was predicted for  
December in Granite  
City by the police depart-  
ment.

A total of 101 accidents is  
forecast, compared to 96 in  
November, when police pre-  
dicted 94. In December 1959  
there were 109 traffic mis-  
haps in Granite City.

# Safe Stolen And 'Peeled,' Contained GC Firm's Records

A series of 16 break-ins and  
thefts, including a safekeeping  
capture of a shoplifter and ar-  
rest of a man charged with  
burglary by Madison police, were  
reported over the weekend by  
local police authorities. The safe  
was taken from a cleaning shop  
in Granite City and was dumped  
on a country road near Mitchell.  
It contained only records.

Safe crackers worked hard to  
"peel" the door of a small safe  
they carried away from Gurn  
Cleaners, 2201 State street, only  
to find the safe contained nothing  
but insurance papers and re-  
cords. They dumped the dam-  
aged safe on "Tank Town road,"  
about a half-mile off State  
Route 3 near Mitchell, where it  
was found shortly before 8 a.m.  
Sunday.

However, the thieves did steal  
several articles of clothing and a  
small radio with a gray plastic  
case and yellow handle.

Mrs. Ruby Hartline, manager  
of the shop, said only a few  
items of clothing were taken  
and an inventory is being made.  
The break-in was discovered  
with the finding of the safe. Po-  
lice said the building was entered  
by forcing the front door.

The safe apparently was carried  
out a side door.

# Admits Car Theft, Burglary

A 51-year-old Madison man  
admitted to Madison police  
Thursday that he stole the auto  
of Tony Racheff, 1122 Madison  
avenue, the previous night. He  
had been halted near Dupu on  
the night of the theft by state  
police. They learned through  
Madison police that the vehicle  
had been stolen.

Brought to the Madison head-  
quarters from the Dupu jail  
Thursday, William "Skeeter"  
Henderson, 1911 Edwardsville  
road, gave a signed statement.

# Total For 3 Cities Is 52,314—Madison, 6861, And Venice, 5380

Official 1960 census figures  
for the three local cities were  
announced today by the Bureau  
of Census at Washington and  
at the first time, Alton, which  
is a number of recent annex-  
ations, forged ahead again with  
a count of 43,047 to regain  
the county's "biggest city" title.

Granite City's official 1960  
population is 40,073; while  
Madison is 6861 and Venice,  
5380, to give the three local  
cities a total population of 52,  
314.

The several hundred entry  
blanks in the Press-Record's cen-  
sus guessing contest of last  
spring will be re-tabulated in the  
next few days and the winners  
of the first time, Alton, which  
contest will be announced in  
Thursday's issue.

Official Figure Up  
The three local cities' official  
total of 52,314 is slightly  
in excess of the unofficial tally  
announced shortly after the cen-  
sus was taken. The unofficial  
counts totaled 51,861, including  
39,481 for Granite City, 7163  
for Madison and 5279 for Venice.

In the 1950 census, adjusted  
with the special 1955 count for  
Granite City, the three local  
cities' population totaled 48,378  
with 34,189 in Granite City, 7863  
in Madison and 6226 in Venice.

While Granite City showed a  
gain, population statistics noted  
for both Madison and Venice.  
Since the 1955 special cen-  
sus, Granite City's population  
5964. Madison has dropped 1101  
since 1950 and Venice has de-  
clined by 846. Madison's popu-  
lation is expected to increase its 7101  
per cent since 1900 census figure  
through a recent.

Alton with a population of 35,  
551 in 1960, shows a gain of  
10,497 in the 10-year census  
period.

# County — 224,689

The official count, which was  
made public today in this area,  
lists Madison county with a popu-  
lation of 224,689, a gain of  
43,382 since 1950.

Further breakdowns of the  
Madison county population total  
are expected to be released soon  
by the Census Bureau, and it is  
expected a total can be deter-  
mined for the entire Quad-City  
area, including unincorporated areas  
surrounding the three local  
cities.

# American Steel Board To Meet Here Thursday

Top company officers and  
members of the board of direc-  
tors will meet Thursday morn-

a.m., it was announced today by  
O. H. Hobbins, local works man-  
ager.

board; J. B. Lanierman, presi-  
dent of the company; J. E. Pat-

marily visit the firm's plants  
and the last visit and board  
meeting here was in 1951.

# Five Youth Inducted; Nine Slated For Exams

Five Quad-City youths were

be given a Christmas leave after  
a short training period at Ft.  
Leonard Wood, Mo.

## Granite City To Set New Accident Record

Granite City is on its way toward setting a new record in the number of traffic accidents and resultant injuries.

At the end of 11 months, the city's statistics show 962 accidents, 306 injuries and no fatalities, as compared to past year's 12-month totals of 968 accidents, 277 injuries and 2 deaths.

November was the city's most severe month for injuries, numbering 40 in 96 crashes. The previous high was 38 injuries suffered in 79 traffic accidents during September. The 96 crashes also is high for any month in the year, although it was equalled in February, when there were 96 accidents with 20 injuries.

The 96 November accidents were only two above the 94 predicted by police at the start of the month. Patrolmen William Condit and Raymond Ridge, who make the predictions, consider a leeway of three as a correct prediction.

**2.87 Daily Rate**

So far this year, the city's accident rate stands at 2.87 a day, of one a day. For November, statistics read 3.2 accidents and 1.3 injuries each day.

Types of accidents in November included 64 two-car crashes, five auto-truck collisions and an auto-bus accident. One pedestrian was struck by an auto, a passenger fell out of an auto, four auto-truck collisions and two cars drove into excavations.

There were six hit-run accidents with both vehicles moving in two crashes. The other four represented parked vehicles. There also were 12 accidents in which parked cars were struck and the motorists stopped to make reports.

The police frequency may show 45 of the 96 accidents occurred on seven busy thoroughfares, with Madison

avenue's 19 accidents again heading the list. Other dangerous streets were listed as 20th street, 6; Nameoki road, 6; Niedringhaus avenue, 5; State street, 3; Edwardsville road, 3, and 19th street, 2.

## Trust & Savings Bank

## Week-Long 50th Anniversary Celebration Starts Today

The Granite City Trust and Savings bank today gets its week-long 50th birthday celebration underway, and there are no bounds to its guest list.

In fact, all Quad-Cityans are invited to the golden jubilee. However, since all cannot be accommodated at one time, the bank is doing its party giving in relays.

First of the half-century observances will be a buffet dinner at the bank this evening. This will be a "family night" affair, as it was, attended by stockholders, bank officials, staff and their families. Between 300 and 400 are expected to be in hand.

Buffet tables will again serve Wednesday and Thursday evenings. To this mid-week dual party, President Ernest A. Karandjef has invited executives, clergymen, industrialists, business executives, colleagues of the financial world, service club and social service representatives, labor, the professions, Quad-Cities officials, trades and commerce.

**Open House Dates**  
Then, between 2 and 6 p.m. Saturday and Sunday, the Edgewood avenue institution will throw its doors open and hold open-house parties, to which all are invited.

Perhaps taking a cue from Santa, the bank has a giant well-filled bag of presents for the weekend guests. There'll be lobby displays; key chains for the men; a handsome key case and rain hood for the women; kiddies will not be overlooked, and free souvenir booklets will be passed out.

Guessing skills will be tested by a goldfish bowl filled with money, and there will be other mementoes. Thousands are expected to attend the parties commemorating the half-century mark.

The institution has had its "face scrubbed" for the anniversary—the facade has been sandblasted, and there are additions, innovations and extensions of service property to distinguish the round-out of 50 years of service.

**Nationally-known figures**  
The financial world, leaders in Illinois banking circles and men whose names are widely-known in counting houses have been invited to attend the 50th anniversary celebration.

The U. S. treasury, the federal reserve system, New York's Wall Street, Chicago's LaSalle street and St. Louis' great banking houses have been invited to be

The Salvation Army also has several kettles with bell-ringers in the downtown business districts seeking funds for the "Tree of Lights."

Applications for baskets are being sought at the Salvation Army special headquarters at 1824 State street, Granite City.

## Boy Thieves' Problems With Exploding Beer

Buying a stolen case of beer presented a problem for two Granite City teenagers youths who were arrested last week by Granite City police in connection with a recent break-in at a golf course clubhouse at the Granite City Engineer Depot.

The youths, who were referred to juvenile authorities, had buried the beer in the yard at one of their homes and, unknowingly, someone else burned trash at the same place. The heat from the fire caused the beer bottles to explode.

Chief of Detectives James R. Lowder said it was not the exploding beer that solved the case, but the boys were traced by other methods. They admitted scaling the depot fence and breaking a window in the clubhouse to steal the beer, four cartons of cigarettes and some peanuts.

The famed Tarleton Oak at Charlottesville, Va., is estimated to be more than 300 years old.

## Fines Total \$195 On 5 of 6 Charges

Fines totaling \$195 on five of six charges were imposed Saturday on John Marvin Fisher, 26, of Mitchell, who was arrested about 1:25 a.m. Friday by Granite City police after a chase from West 22nd street and Missouri avenue into the Benjamin addition outside the city limits.

The sixth charge was illegal possession of a firearm, a loaded .38 caliber revolver, Fisher pleaded guilty to the count. An appeal is planned by his attorney and the youth's bond was set at \$250. The penalty was taken under advisement until Dec. 23 by Police Magistrate Gasparovic.

The \$195 fines were set when Fisher pleaded guilty to charges of speeding, running a stop sign at West 22nd street and Missouri avenue, failure to heed a red light and siren, reckless driving and operating a motor vehicle while his driver's license was suspended.

The time a man turns in has lots to do with the way he turns out.

## 340 Honor 11 Golden Wedding Families

Most of the couples' 139 descendants attended and filled most of the center section of the church. The 22 honorees greeted those attending the service at a reception immediately afterward.

## PHA Approval Awaited Elderly Housing Unit

Detail work on the proposed 100-unit housing development for the elderly was continued Thursday evening during a meeting of the Granite City Housing Authority.

The board is conferring often with officials of the Chicago office of the Public Housing Administration on site plans by the local architectural firm of Gabriel & Dalgeroff.

Once the site plan is approved and an amount set for construction, federal funds are expected to be made available. Except for minor detail work, most of the paper work has been completed and the board is awaiting approval of the site plan by the PHA.

The board met last Thursday evening, because of a number of other civic events scheduled this week. The regular meeting date is the first Tuesday of each month in the office at Kirkpatrick Homes. Walter Pfaff, vice chairman, presided in the absence of Chairman Robert Glibson.

**Crash On Bridge**  
A Granite City woman, Mrs. Juliann Fleener, 18, was injured Friday night in a two-car collision at a curve on the Chain of Rocks river bridge. She was given emergency treatment at St. Elizabeth Hospital for bruises and contusions to her left knee.

State police said she was a passenger in a car driven by David L. Fleener, 21, of 2134 State street, who was driving east when the left side of his auto was struck by a westbound auto operated by Clyde Gilkerson, 34, of Wilmington, Del., who troopers said crossed the center line at the curve. Mrs. Fleener was taken to St. Elizabeth Hospital by ambulance.

A seasonal program was presented by Mesdames Clara Harbig, Clara Huber, Clotilde Cornbin, Ellen Ehler, Alice Green, Emma Rellike, Mildred Riddis, Myrtle Landwehrmeyer and Grace Harb. It consisted of interpretations of Christmas hymns under the direction of Mrs. Marie Widdows. Mrs. Karvyn Edmonds and Mrs. Surbey were soloists.

Mrs. Mabel Bunselmeier offered prayer for the sick and Mrs. Alma Beckmann read the birthday list for December.

A number of Christmas monetary gifts were voted by the group to the following: Hitz Memorial Home, Emmaus Home, Hayleton Home, Caroline Mission, Protestant Welfare, Cahokia Mission in Cahokia, Ill., and others. The members also filled 34 boxes of homemade cookies to be taken to the Hitz Home.

Luncheon was served by the committee in charge to 66 members of the Guild and seven guests. ## 34 Attend Ladies Coterie Yule Party

The annual Christmas party and program of the Ladies Coterie held at the Nameoki Methodist Church on Pontiac road Thursday was one of the delightful events of the pre-holiday season.

A noon luncheon was served with 34 seated, including two honorary members, Mrs. Norman Niedringhaus of St. Louis and Mrs. R. W. Griffith, and two guests, a former member, Mrs. A. Ralph Lynn, of Moberly, and Mrs. William Sill of Collinsville. The latter took part on the program.

The tables were lovely with their decorations of pink and green. Brandy snifters filled with pink angel hair and ornaments held green candles, and favors were in keeping with the general scheme.

Mrs. Robert Chapman, chairman of the program committee, introduced Mrs. Sills, who told a Christmas story, "Christmas Facts and Fancies," in connection with which recordings of Mary Martin's "The Little Lame Lamb" were played. The program opened with prayer by Mrs. Henry George and the musical portion consisted of carols by the group, led by Mrs. Tate with Mrs. E. J. Griffith at the piano and there also were two piano duets by Mrs. Tate and Mrs. Harold Dornes. "Concert Polonaise" and "Christmas Melodies" arranged by Garland.

The business for the day was dispensed with and an exchange of gifts was held by the group. The next meeting will be held Jan. 5 in the home of Mrs. G. E. Halvans, 1919 Cleveland hwy. Mrs. E. H. ### Aided Adults, Children

## Impact of Miss Prather's Life of Service Is Recalled

Can one individual have a major impact on a neighborhood, aiding both children and adults to achieve responsible citizenship despite financial and language handicaps?

A great many people feel that Miss Sophia Prather had just such an effect on the West-Granite and Lincoln Place areas, and it is for this reason that the new junior high school on West 25th street has been named the Prather Junior High. Coming here in 1910, she died in 1936.

Mrs. Daisy Pashen, 2200 East 24th street relates that Miss Prather "came here from Carlyle, Ill. and, by profession, was a school teacher. She taught school at the Washington grade school and then was employed by the Commonwealth—now General Steel Castings Corp.—to supervise and manage the activities at the Lincoln Place Community Club House. She was entrusted by the executives of the Commonwealth to run this club house as she deemed necessary in her judgment.

Varied Duties  
"Her duties at the club house were many. She organized Sunday school classes for different age groups, since there was no church in that part of town, and welcomed everyone to attend regardless of their religious belief. There were Bible classes during the summer months, craft classes and many other activities.

"She maintained a library there and would help us with the reading and understanding of the books that we read," Mrs. Pashen recalls. "Citizenship classes were held so that people might become American citizens."

"Miss Prather was particularly interested in each and every child in that vicinity to see that they would become good citizens and good church members. She herself, was always helping the needy families.

"She organized teams to participate in all sorts of sports and taught us what was meant by good sportsmanship and how to play the game. These teachings must have been instilled in some of the children, as was proven by our many boys who have been honored for their athletic ability.

Importance Of Education  
"Often times of an evening Miss Prather would be sitting there with some child, helping with their school work. She was never too busy to stop and help every child's mind the importance of having an education to get along in this world.

"You could say she was like a second mother to each and every child in that vicinity because of the interest she took in each one of us. She inspired so many of us to develop the talent that we had and to use it to the best of our ability. The universal ideal of the fatherhood of God and brotherhood of man truly describes what she stood for.

"All of the classes were under her supervision, with the help of several other people who donated their services and, of course, her chief assistant, Alice Sobieski, now Mrs. Ted Dineff. Miss Prather died in 1936, but will never be forgotten by the people who knew her personally and who have heard of her."

Encouragement Aided Many  
"She aided and guided them in many ways. Her early teachings and encouragement throughout the elementary school, high school and even college helped make boys and girls outstanding in many walks of life."

Her assistant for 12 years, Mrs. Dineff adds that the frequency during her administration was almost unheard of."

and recalls that Miss Prather often gave simple prayers before Lord, help me to be good, and make Lincoln Place a better place to live in."

"The prayer was answered and the children who grew up beyond Lincoln Place and into the world, Patriotism, Americanism and education pervaded her life."

out her program in one fashion or another. Politics and religion were excluded, but the constitution of the United States was upheld highly."

Mrs. John Kirschoff, 48 Janday lane, friend of Miss Prather, describes her as "a symbol of leadership and guidance to the citizens."

Counseled Hundreds  
"Her counseling of hundreds of boys, girls, young men and women is often referred to, even today, with respect and admiration by many who attribute their success in part to her influence during their youth, be it in the field of business, athletics or education."

"Imparting her knowledge and understanding, time and again to the many young people and adults, she will long be remembered," Mrs. Kirschoff comments.

Miss Prather lived with my parents and me for 13 years in the 1600 block of Maple street. Mrs. Helen Tiefenbach, Lindenmann, Affton, Mo., relates.

Recollections  
"As one of her pupils at Washington school, I can truthfully say that she was a personal interest in all her pupils. After giving up teaching there, she devoted her life to social service work at the Community Club House."

"When the Community Center was first built, not many children went on to high school, but I am grateful to her for urging and persuading me to go on to further my education, and she did the same for many children in her charge."

"Through her understanding and tireless efforts and patience, there was very little delinquency. If any, in Lincoln Place. The children had the club house as we called it, to go to and be under her supervision."

"We gathered there after school for various recreational activities. There was a big gymnasium there and club rooms. On Sunday mornings we had Sunday school classes, and during vacation there was Bible school. We had instructors in manual training for the boys and sewing and other hand crafts for the girls. Evenings, there were sports, such as basketball and baseball on the playground outside the club house."

Absence Of Prejudice  
"There also were evening classes in English and citizenship for the parents who were interested. Miss Prather was instrumental in bringing all this to the Community House. Lincoln Place consisted of people of many nationalities, but we all got along and had no prejudices. She taught us to be equals."

Miss Prather also contributed food baskets and money to the needy in West Granite and Lincoln Place out of her own savings. She also helped many with personal problems. She was a friend of everyone, and helped many get jobs.

"She was a great lady, and her life was dedicated to the children," Mrs. Lindenmann concludes.

By naming the new seventh-eighth-ninth grades center in her memory, the school board has made it certain that the lifetime of service will be remembered not only by "her children," who are now adults, but also by many succeeding groups of children.

Miss Prather died in 1936, but will never be forgotten by the people who knew her personally and who have heard of her."

Mrs. Dineff, 1828 Maple street, points out that "Miss Prather was truly a part of the school system, leaving the public school to center her endeavors in the hearts of a people of foreign descent."

ning for the building, which is to be located in Venice. Dr. Lee said a jurisdictional dispute between ironworkers and carpenters, the mayor related, is the reason for the opening of the resurfaced Venice bridge approach and Main street toll lanes, since it has halted completion of the approach and bridge deck in the area near the top of the approach.

Taken before the National Labor Relations Board in Washington, the dispute has left no one to put wooden bridge timbers in place for installation by carpenters, the mayor related. Saying neither the city nor contractor are to blame, he expressed sorrow at the continued inconvenience to bridge users.

Dr. Lee reported that the Dron Electric Co. has tested a set of lights installed on the north side of the approach, and he feels they provide highly satisfactory illumination.

The council approved a seventh payment of \$73,465 to the General Contracting Co. for bridge approach and Main street work, increasing its receipts to \$281,158 and a 15th installment of \$5680 to Bridge Engineers Hardy and Hanover, raising their total pay to \$87,772.

Also authorized were payments of \$171 to Pittsburgh Testing Laboratories for steel and concrete tests, \$80 to Dron Electric for relocating two wooden poles at Second street and Lincoln avenue and \$10,100 to the First National Bank in Madison to meet a library bond principal and interest payment.

A six-month report by City Comptroller Carl E. Byrnes showed \$155,539 spent and \$11,243 refunded to the city through Oct. 31.

The council transferred \$5000 from the working cash fund to the municipal retirement fund due to an error in failing to levy for the retirement fund in the summer of 1959. Dr. Lee said it will take about three years to make this up and repay the working cash fund.

November police report showed 80 arrests and \$422 in fines.

## Harmony Urged On Campus Issue; Board Will Meet

With virtually all persons involved urging harmony so that development of a local university will not be jeopardized, a controversy over the scheduled departure of Dr. Harold W. See was subsiding today. Interest centered on next Saturday's Southern Illinois University trustees' meeting, where the issue may be brought to a conclusion.

The center of discussion, Dr. See, took note Friday of comments and demonstrations in his behalf and stressed that all should "stand together" for the best interest of the university. He thanked those who expressed support for him but expressed hope that his statement "will dispose of the entire matter of controversy." He was still unavailable for a direct comment other than the mimeographed statement.

Dr. Delyte W. Morris, SIU president who has come to the Madison county campus to take part in development of the new university, was unavailable for comment today due to a meeting with administrators at the East St. Louis residence center. He said Friday that he plans to ask the trustee board Dec. 10 to approve Dr. See's proposed "devotion from professor to research professor."

Dr. Morris noted that "Dr. See asked for a change of assignment and we agreed to his request," and said that he as president is authorized to accept withdrawal or resignation. He added that he expects to spend most of his time at the new campus and plans no staff changes there.

To Request Report Meanwhile, SIU Vice-Chairman Lindell W. Sturgis and Trustee Martin P. Cehmle said they will be asked to report Saturday on Dr. See's transfer. Sturgis and Chairman John P. Wham expressed confidence in Dr. Morris.

Students and faculty are leaving as SIU vice-president and Southern campus dean developed Friday. Over 150 missed classes in East St. Louis, with some picketing the center with signs praising Dr. See and

criticizing Dr. Morris, and about 250 students staged a mass meeting on the Alton center campus but did not carry out boycott plans.

One of the two who initially voiced opposition to Dr. See going to the Carbonade campus after research work in Europe, Dr. Robert Lynn, president of the Southwestern Illinois Council for Higher Education, has been unavailable for comment.

The other, Val Cox Sr., AFL-CIO Community Services director here, said today that his current views are expressed by a letter which he sent to Dr. See Thursday, urging him to "for the good of the area as a whole, stay with us until we are assured of an ever continuing growth of SIU in our area."

In the letter, Cox cited "tremendous growth" in the last five years of the educational program under Dr. See's immediate supervision and commented that "university here is still an infant and needs the loving, tender care that only a dedicated person such as yourself can give."

Contact With Labor Leaders "Having worked closely with you in developing programs and in raising funds for the new campus, I am sure you will have a strong desire to remain with us until this university was established," Cox said. "Your close contact with the labor leaders in this area should prove valuable in the future. We work out problems that might arise in the course of the new university."

"I have a personal feeling that you still desire to remain with the citizens of this area and continue on the job that you have done so well in the past. Therefore, I am requesting that you reconsider your request for a transfer, which I feel was made by you because of reasons which are unknown to me."

A St. Louis newspaper said Saturday that Dr. See's submission of the transfer request occurred after being informed that he was being transferred to Carbonade.

Says Request Voluntary Dr. See said in his statement Friday that he is at the moment with all possible force that my request for reassignment is made of my own volition. Those good friends and loyal supporters of mine who have interpreted this action otherwise do so with an appreciated but mistaken conception of the situation.

"I have accepted a position which I believe will be of inestimable value to the future of the Southwestern campus as well as the entire University. To make a decision of a change from a position which one has enjoyed and found rewarding is not without some regrets. What I have found necessary to evaluate are the relative advantages, personally, professionally and to the future development of this great educational venture in the area.

"To consider my decision less than irrevocable and to suggest a divestment on the Southwestern campus with regard to it, will not only detract from the importance and possibility of success and contribution in my requested assignment, but also be harmful to and retard the development of the project I have so earnestly striven for during the past five years.

"I would suggest that we are at a point in time when it is imperative for all of us vitally interested in the success of this project to stand together in support of the university, its board of trustees and its president. It is my fervent hope that this statement will dispose of the entire matter of controversy."

"Put Aside Personal Feelings" John McBride, who headed the drive for campus site funds, issued a revised comment Friday afternoon after saying that morning that the transfer would entail rapid construction of the university and that his firm would make no further contributions for land purchase.

In the new statement, McBride reiterated today, he said, "The new university is of such importance to the state educational system and to Southern Illinois that the community leaders and the citizens must put aside their personal feelings and stand together to make it a successful reality.

"The administrative problems which have beset the university during the last week must not interfere with the development of the program now underway. It is a responsibility of community leaders to take a strong position in support of the university and its development, and not the change in status of Dr. See and the assumption of the direction of the school by Dr. Delyte W. Morris in their proper perspective."

McBride said that on this basis he, himself, will continue to support the development of the campus and school, and will assist other leaders in the community in continuing to push forward for the rapid development of the institution of higher learning. "My company will honor its financial pledge to the university and will continue to assist this development program through the efforts of his executive and managerial staff."

Speeding Charge Mary E. Tapp, 31, of 1014 Market street, was issued an arrest ticket Sunday morning by Granite City police who charged her with speeding. She posted her driver's license as bond.

and was charged with larceny of a motor vehicle. An unemployed laborer, he said he took the car out of Rachel's garage at 1122 Madison avenue and traded the spare tire and wheel for \$2 worth of gasoline at a service station.

Madison officers also questioned Henderson about a break-in at 9:30 p. m. Wednesday and forwarded information on the burglary to the state's attorney's office.

Henderson waived a preliminary hearing Friday morning before Granite City Police Magistrate Andrew Gasparovic Jr., and was bound over to the grand jury on the auto charge. Notification was sent to Parole Officer Frank Zamaroni, and Henderson was taken to the county jail Friday evening in lieu of \$500 bond.

### 4 Petty Larceny Charges

Four counts of petty larceny and four charges of disorderly conduct were filed Saturday against Mrs. Linda Preswood, 38, of 2808 Edwardsville street, who was arrested at a downtown Granite City store.

Police said Mrs. Preswood admitted taking items from four stores, and from her oversized purse, she recovered a child's dress, two pairs of nylon hose, four cartons of drapery books, two skirts and a pair of panties. She told officers the items were taken from Leader Department store, Woolworth's, the Lee Shops and Sallie Ann shop.

Taken into custody with her was a 14-year-old Granite City girl, who was released after questioning.

Mrs. Preswood was later freed on \$500 property bond to appear for a hearing Dec. 14 before Police Magistrate Gasparovic.

### \$40 Hoist Stolen

A chain hoist, valued at \$40, was stolen from a shed at the rear of 2022 Harris street, according to a report made Sunday morning to Madison police by Jerry Suit of that address.

Suit said he had borrowed the hoist and had locked it in the shed. The shed door was forced open to gain entrance.

A 1950 model auto belonging to Russell Stages, 1953 Sherman avenue, was stolen from in front of his home between 10 p. m. Thursday and 7:25 a. m. Friday, according to a report to police. The car was painted two-tone green.

Lynn Roman, operator of a used car lot at 145 Madison avenue, reported to Granite City police Saturday that a two-wheel trailer had been stolen from the lot.

A white fender skirt, painted with the wording "Scoring Demon," was stolen off the 1951 auto of Rufus Levert, 2024 Harris street, who told Madison police the theft occurred while the car was parked in front of his home between 11 p. m. Friday and 11 a. m. Saturday.

The theft of two hubcaps off his 1950 auto while it was parked at his home, 1521 Fourth street, was reported to Madison police Saturday night by Gerald Orrick.

### Burglary At Grocery

A burglar netted \$8 in coins from a cash register and 22 assorted cartons of cigarettes between 6 p. m. Saturday and 6:48 a. m. today at Morris Rosenstrom's grocery, 1100 Calhoun street, Venice. Entrance was gained by prying open a window, and the intruder left that way after attempting to leave by a rear door.

Gum, soda and candy dispensing machines were broken open at the self-service laundromat, 608 Madison avenue, Madison, it was discovered at 5:55 a. m. today. Another soda machine and a soap powder machine were damaged, but not opened.

The loot consisted of an undetermined amount of candy bars, chewing gum, coins from the gum machine and the coins and coin box from one soda machine.

Clothing stolen from the home of James Basden, 1120 Calhoun street, Venice, between 4 p. m. and 8:30 p. m. Sunday consisted of a black and white tweed topcoat and cashmere and brown, charcoal and grey suits.

Someone attempted to pry open a pinball machine at the G and S Grill, 1420 Broadway, Venice, apparently while the restaurant was open Saturday, but the attempt was unsuccessful, police were told.

## House Trailer Destroyed By Fire Friday In Madison

One family was left homeless and damaged in excess of \$100 was caused by five separate residential and weed fires Friday and Saturday in Madison. Fire Chief E. J. Miller said they represented something akin to a weekend record.

A home-built residential trailer at 2003 Steen street, occupied by the Harold Stevenson family, was completely destroyed Friday night by fire said to have resulted from a faulty gas heater.

Three members of the Stevenson family were not at home when the blaze was discovered, Miller said.

### \$500 Loss

Earlier, at 6:40 p. m. Friday, an overhauled bedroom stove at 809 Franklin street, West Madison, resulted in \$500 building damage and \$200 to furnishings and bed linens of Mr. and Mrs. Jesse Terrell.

Immediately on the heels of the West Madison blaze, the volunteer firefighters put out a weed fire at 14th and State streets and at 9:18 a. m. Saturday responded to a fire call at 1220 Alton avenue. A front room fire at the rear of a television installation was extinguished. Loss was set at \$150 to the residence; \$50 to furnishings, rugs and draperies.

The building is owned by Harry Kohn and occupied, the report listed by Phyllis Untch. Chief Miller said the blaze may have resulted from the outside, possibly children playing with matches.

It was the second fire at the residence within a month.

The fire wagons were just back in their stalls on Third street, when the fifth of the weekend blazes sent them to 1727 Fifth street on a least and weed fire. It caused slight fence damage.

## Innocent Pleas On 6 Charges

A bond of \$500 was set for Annew Hay Arney, 33, of 719 Twenty-eighth place, who was arrested about 12:10 a. m. Saturday in the 2200 block of Benton street.

Arney, during a hearing before Police Magistrate Gasparovic, pleaded not guilty to charges of flourishing a dangerous and deadly weapon (a loaded .22 caliber pistol) and refusal to obey the lawful command of an officer, creating a disturbance and drunkenness.

He also pleaded not guilty to charges of assault and illegal discharge of a firearm filed by his wife.

Granite City police were first summoned to the Arney home about 10:50 p. m. on a complaint that a firearm had been discharged. They were told Arney and his wife had departed. Another call was received at 11:25 p. m. from Arney's wife, who said he had been at a tavern on East 20th street, and the next report was received from the 2200 block of Benton street.

He was released Sunday morning on bond and is to appear for trial Dec. 14.

### Granite Cityans' Home On Buck Rd. Looted

Electrical appliances and other items were stolen from the farm home of S. E. Pershall at along BRK road, Edwardsville, a half mile west of State Route 159.

Pershall, who resides in Granite City and is board chairman for Tri-City Grocery Co., reported the burglary Friday to county authorities. He said a break-in apparently occurred during the week of Nov. 27.

Listed as missing were a table model radio, a record player, an electric clock, a vacuum cleaner, an ice crusher, an electric mixer, two sets of tumblers, glasses, three electric cigarette lighters, a case of whisky, a half-case of scotch, six bottles of gin and six bottles of vodka.

It is a good idea to keep whole allspice as well as the ground variety on your kitchen shelves. A few of the whole spices add flavor when they are added to stock or stew.

The ceremony was performed at 8 o'clock by the Rev. Edward J. Cockerell and the guests were entertained afterward at a reception in the church parlors.

Mrs. Irvin Stroud was at the organ, accompanying the vocalists, Mrs. John Ambury, as she sang "Always," "Whither Thou Goest," and "Jesus We Have Promised," and playing the wedding march and recessional. The double-ring ceremony was used.

Bouquets of white chrysanthemums decorated the altar, lighted with burning candles in glassed lanterns, and more of the candles lined the center aisle of the church. Bows of white satin ribbon and feathery fern adorned the pews.

Mr. Cook gave his daughter in marriage. Her gown of delicate tulle with a pinkish white lace collar and white fur. Satin bows dotted the dress from the neck to the hem of the skirt which ended in a chapel train. Securing hand-drooled veiling of imported silk illustrated a band of fur and the bride carried a fur muff adorned with white button pom-poms and an orchid in a shower arrangement.

Three attendants, Miss Judith Ann Cook, the bride's sister, maid of honor, and Miss Mary Frances Leckrone, a Belleville, and Miss Maryjane Mae Smith, Wood River, bridesmaids, wore blue velvet designed with deep

V necklines, and complemented with velvet bow headpieces and matching face veils, satin shoes in the same shade and white gloves. The honor attendant carried a cascade bouquet of pale pink Fuji mums, poinsettias and wheat, while the bridesmaids bouquets were made up of mums and wheat.

Also attending the bride were two little flower girls, Shellah and Shirley Baugh of Caseyville, and Timothy Cook, the bride's cousin, also of Caseyville, as ring bearers. The dresses of the twins were made of peach-colored blue organza trimmed with lace and fabric roses. Their shoes and velvet bows in their hair were of the same color and they carried baskets of pale pink pom-poms.

Robert McClew of Granite City was best man for Mr. Harris, and groomsmen and ushers included Larry T. Cook, the bride's brother, Gene Davis and Ronald Dillard of Granite City, and Michael Ricketts of East St. Louis.

For her daughter's wedding, Mrs. Cook selected a dress of deep blue velvet with a white fur collar and white fur. Satin bows dotted the dress from the neck to the hem of the skirt which ended in a chapel train. Securing hand-drooled veiling of imported silk illustrated a band of fur and the bride carried a fur muff adorned with white button pom-poms and an orchid in a shower arrangement.

# Warriors Open With 51-41, 59-39 Cage Victories

## Squad Unsettled In Decisions Over Cahokia And Roxana; Press Pays Off

"We haven't jelled yet, but when we do this is going to be a good ball club," said Granite City high school varsity basketball Coach Andy Sullivan Saturday night following his team's second victory in two nights.

A few minutes earlier the Warriors had walked off the court with a 51-39 victory over Roxana, which followed on the heels of a 51-41 win from Cahokia Friday night at home.

The first to admit that his club is nowhere near the form that carried it to the super-sectional finals this spring, Sullivan was optimistic nevertheless. "We've got good all-around height and nobody is going to show us around under the boards, once we get straightened out," he predicted.

The Warriors spluttered and popped both Friday and Saturday evenings, and might be expected to start the first time they were tense Friday night in the opener at home, and had to overcome a 16-point Cahokia lead to win.

**More Relaxed Saturday**  
A more relaxed appearance was evident Saturday in Roxana, especially in the second half when the club hit 12 of 20 shots from the floor. The previous evening it hit only eight of 22 during the same two periods. A good press and alert half-court defense helped to offset early leads by the opposition, although Jim Wessom's Shells never were able to pull ahead of the Warriors by more than two points at any time Saturday.

Granite City trailed 15-13 as the second quarter began in the Granite City PRESS-RECORD Page 14 Mon., Dec. 5, 1960

live period of the two games played over the weekend.

Roxana's Jayvees defeated Granite City in a preliminary thriller 48-46.

The varsity scoring: Granite City — Frank Knight 21, Grant Takamajan 17, Jim Simpson 8, Larry Thurnau 7, Max Prusak 2, Larry Noblin 2, Rich Patrick 2; Roxana — Ron Thomas 15, Ed Parsons 10, Steve Lowe 4, Darrell Hall 4, Joe Dugan 3, Fred Hughes 3.

**Erratic In Opener**  
The Warriors blew hot and cold against Earl Lee's Comanches Friday night, and the contrasting caliber of play was more vivid because Granite City came to life midway through the second quarter to score eight points in 20 seconds after being unable to buy, beg or steal even a free throw in the previous six minutes and 40 seconds of action.

Unable to solve the sinking three-point defense employed by Cahokia, the hosts had to ramble from outside, hit only twice from the field in the first eight minutes and trailed 5-15 at the end of the initial quarter.

The Comanches, a young, experienced crew with the exception of guard Charlie Webb, relied for the most part on free throw accuracy to increase their margin to 21-5. The visitors converted 14 straight charity tosses before Dave Levin finally missed one early in the third quarter.

With 4:40 left in the second period Jim Simpson made good on both end of a bonus free throw opportunity for the Warriors and by the time the clock read 4:20 Granite City had closed to 21-15.

**Hot Sparks Rally**  
The sudden spurt began when reserve guard Larry Diak, inserted by Jim Simpson to give his team an effort to work out effective counter measures against Granite City's ball-stalling tactics.

The Warriors continued to inch closer, at a slightly less rapid pace, and were within six points of the visitors at the halftime buzzer, 19-25.

**Takamajan Tie Score**  
Guard Grant Takamajan, who had missed six straight shots in the first half, made it 21-25 when he caused a jump shot in the opening seconds of the third quarter, and with 5 1/2 minutes left in the period finally pulled the Redmen even at 27-27 with another jumper. Webb put Cahokia back in front with a free throw, but Takamajan hit again from outside and Granite City moved ahead 29-28 and did not relinquish the lead again.

The Comanches pulled even at 30-30 and 32-32, but the Warriors struck six points on free throws and a bucket by Simpson and a steal and driving layup by Knight.

The host team enjoyed its best quarter of the evening in the third period, the 19 points scored matching the total tallied in the first half. The Warriors also hit eight of 13 third quarter shots from the floor. The game shooting percentage was 43.9, while Cahokia hit exactly one-third of its shots.

**Late Cahokia Threat**  
The Comanches threatened once more midway through the final period when Ron Scaggs jumped the Warriors to cut the Granite City lead to 40-38. But the Warriors found the range at the free throw line in the final eight minutes, sinking nine of 10 shots taken there.

Cahokia's reserves whipped the GCHS Jayvee squad in a preliminary contest 35-30. Glen Hoffman paced the Little Warriors with 11 points.

## Madison Cagers Open Against Flyers Tomorrow; Rams Play At Home, Venice At St. Paul

Madison high school will open its 1960-61 varsity basketball schedule tomorrow night in East St. Louis, meeting the Flyers of Pick Delmer under head coach Earl McCannahan. Venice HS will seek its first victory in five games in an MHC conference tilt in Highland against St. Paul, while the Lincoln of Venice Rams will make their first appearance of the season before the home fans against Lincoln of East St. Louis tomorrow.

The three contests involving local teams are among ten pre-cage encounters on tap in this area Tuesday night.

McCannahan plans to open up against the Flyers, who won a 40-38 overtime battle from Deuster Saturday night, with all district performer Ed Walker at the post, Ken Griggs and Dan Hrysko at the guards and Don Freeman, Charles Venary or Shirley Barton at the forwards.

Griggs has been hampered by a knee injury, but the hurt has responded nicely to treatment, McCannahan said.

"His leg is coming along good," McCannahan revealed. "He's moving better, but is still a little cautious, can't jump as high as he normally would and is hurt dropped by the short time he has been able to practice."

Griggs, Walker and Mick Griggs, the latter also nursing a leg injury, are the only three lettersmen available for duty from last year's 14-11 Trojan schedule.

The Venice school's squad is a mile smaller this year than in recent campaigns. Expected to form the starting lineup tomorrow night are Guards Charles Hatter (6-11), Center Thomas Hall (6-5), Point Guard Eugene Cox and John Marchbanks, all earned varsity letters last season, as Lynch does have available depth.

The Rams have two games scheduled in two nights this week. On Wednesday evening

## Welfare Of New University More Important Than Any Individual

The rash of contradictory reports, rumors, impetuous statements and other activities that followed announcement last week of the resignation of Dr. Harold See, vice-president of the Southwestern Campus of Southern Illinois University, today seem to have pretty well run their course and stammered down.

This is fortunate, for nothing—not even Dr. See or the university president, Dr. Delyte W. Morris—is more important to the people of this Illinois Metropolitan Area than early and rapid development of the new \$25 million state university at Sunset Hill.

It is noteworthy that both of these men have used their influence, officially and personally, in the last few days to curb rebellious elements and restore order and logic to the situation. Groups that have aligned themselves with one point of view or the other should do no less.

And it should be further noted that President Morris and Dr. See have had more to do with getting the new university than anyone else; President Morris with his foresight and guidance in establishing the pre-university schools at Alton and East St. Louis, along with his vigorous support of the new university; and Dr. See with his equally vigorous direction of these branch schools and his tireless advocacy of the new university.

There are those who feel that Dr. See, despite his request for reassignment, ought to stay here and finish the job; there are others who feel his talents can best be utilized in educational research, with the university president personally devoting his full time and attention to development of the new campus.

The matter is certain to come up for discussion at the Dec. 10 meeting of the university board of trustees, where it properly belongs. We feel this is the kind of orderly process that will be in the best interest of the universities, the administration, and the public, whether Dr. See's reassignment stands or not.

## Casualty Reduction, Deterrent Effect Make Civil Defense Worthy of Support

"Our total defense is incomplete and meaningless without reliable and responsible home defense. Survival cannot be guaranteed merely with a capacity for reprisal; equally important is our ability to recover," President Eisenhower believes. Admiral Arleigh Burke, Navy chief, adds, "The ability of our civilian population to recover from a nuclear attack may be the decisive factor in ultimate victory or defeat for our country in case of a general war."

With many nations in the process of developing nuclear weapons, we agree with Deputy Defense Secretary James H. Douglas and other federal officials that "a strong posture of civil defense will become a matter of increasing urgency." Nationwide attention will be focused on this issue on Wednesday, Dec. 7, National Civil Defense Day, which significantly is the anniversary of the sneak attack on Pearl Harbor that led to U. S. entry into world war II.

Pearl Harbor showed the tragedy that can occur when vigilance is lacking. A new attack on America could come without warning and would be much more devastating, bringing widespread

death and destruction to military centers, cities and industrial areas despite superior American military strength. While millions could die from the heat, blast and radioactivity of a nuclear war, it is a fact that a strong CD program with fallout shelters built into homes, office buildings and plants could save other millions.

Protection of human life and the minimizing of property damage, major civil defense goals, are worthy of support by the public. Steps that can be taken include study of first-aid, home emergency preparations, knowledge and participation in community disaster action and understanding of warning signals and the civil defense radio frequencies.

While basically a governmental function, defense measures concern everyone. Some say that "war is unthinkable," but it could occur; others say, "We would all die, anyway," but this also is not true. An analysis by the Joint Committee on Atomic Energy concluded that varying degrees of defense preparedness could reduce casualties in a surprise attack from 25% to 3% of the population.

Two facts should prompt each citizen to think seriously about following recommended defense procedures. Civil defense can help each family and the nation to survive, if war breaks out, and it can go a long way toward assuring that there will be no world war III. There could be no more persuasive reasons than these.

A crank is a person interested in something which you do not appreciate.

## Semi-Public Agencies Could Save Money, Time With Joint Quarters

Now that establishment of new headquarters for the Boy Scout Council is under discussion, it would be a good time to give thought to the general subject of housing this community's public and semi-public civic betterment and social welfare agencies.

There are a great many agencies, located in a variety of leased or owned buildings throughout the business district. Aside from the Boy Scouts, there are the Girl Scouts, Salvation Army, Red Cross, Catholic Charities, Protestant Welfare, AFL-CIO Community Services, Mental Health Clinic, United Fund, Chamber of Commerce and Coordinated Youth Services, to name those that come to mind most readily.

We wonder if it might not be feasible to build new facilities or to acquire an existing building or office space that could house most of these agencies. Advantages would include greater economy, through reduced rent and utility costs and possibly some sharing or consolidation of secretarial staffs. Since work of many of the groups is closely related, adjacent locations might save time and inconvenience.

Under such a plan, a multiplicity of rental and construction problems might be eliminated. With greater efficiency and lower operating costs, centralized quarters for Quad-City agencies could bring significant benefits to the public, which supports most of the agencies. A better job at less cost could be a major selling point in future fund drives.

Going to church is a habit that one should cultivate; there is little danger in it.

# 16 Receive Grid Letters At Madison High School

Varsity football letters have been awarded to 16 Madison high school players, Madison Football Coach Glen Pickering announced Thursday afternoon. The letter awards were made at a Shrine Club banquet for the team, held at the high school last week.

Guest speaker was Buck MacPhail, backfield coach for the University of Illinois football team, who talked on Illinois football prospects in the coming season and told his audience the university would begin paying more attention to prep players in downstate Illinois, most of which have been grabbed off by other schools once they graduate.

MacPhail showed a film of this fall's Illinois-Purdue football game in which the Illinois upset the Boilermakers 17-14.

Winning varsity letters for the 1950 season, during which Madison compiled a 2-5-1 record under new coach Pickering and finished fourth afternoon, out-of-conference with a 2-2-1 slate, were:

Nick Pavlov, Sam Dymas, Shirley Barton, Norman Stawar, Mike Harris, Ed Walker, Mike Gravelle, Ken Griggs, Frank Kitchen, Terry Andrews, Ed Petty, Ed Young, Willard Woolfolk, George Stewart, John Beserman and Fred Becker.

Barton and Walker were elected co-captains of the team, while Griggs won the title of the team's most valuable player during the 1950 season. He led Madison and the Midwestern Conference in scoring with 40 points.

**Dunbar Rolls To 4th Straight Win, Downs Rose Lake.**

Author Adams' Dunbar grade school cagers racked up their fourth straight win of the season Thursday afternoon, outclassing Rose Lake on the losers' court, 71-14.

The Madison school, yet to be defeated, led at halftime 31-7 and poured in 40 points during a good second half. Donald Hanks led all scorers with 17 points. Teammates Henry Pickett and Tommy Williams rimmed 16 points each.

Dunbar's seventh grade team also won, by a 68-32 count, with Charles Porter scoring 10 points and Clarence Shaw adding eight. Dunbar plays at Dupu Thursday night.

John Tonoff's Coolidge ninth graders led Collinsville for better than three quarters in a basketball game played in Collinsville Thursday night, but the hosts overcame the lead with a full-court press in the closing minutes to defeat the Granite City team, 56-50.

Coolidge led 26-24 at the half, had increased that to 44-41 after three quarters and was up by a 46-41 count before the hosts' shooting fell off and Collinsville's zone pressing tactics began to be effective in the final minutes.

Tonoff, whose team now has a 11 record, was pleased with his efforts against a good Collinsville club. Jim Cant scored 18 points for the Braves, Jim Proffitt 14 and Jerry Nelson 11. The Braves will host Edwardsville tomorrow afternoon.

## Red Raiders Rip Venice Friday, 67-43

Playing without its leading scorer, out-rebounded by a better than two-to-one margin and outscored by 15 baskets from the field, Venice high school dropped its fourth straight basketball defeat of the young season to Western Military Academy in Alton Friday night, 67-43.

The Red Raiders definitely missed the floor leadership of senior guard Larry Gray, who averaged 20.7 points per game in his first three outings but was sidelined Friday by coach Zahn Wells for disciplinary reasons.

Dale Saville led Frank Crumacker's Red Raiders, who are inaugurated their 1950-51 season in winning fashion, with 25 points as WMA shot a red-hot 50-26 from the field.

Venice forward Don Devany was the top scorer for the Devils, totaling 21 points and scoring in double figures in the third straight time this season.

The taller Red Raiders very nearly swept the boards clean, picking off 20 more rebounds than Venice, although they took only three more shots than did the visitors. However, Venice hit only 13 of 33 for a sub-par 24%.

Devany didn't get much help in the scoring department, while double figure performances in addition to Saville's for WMA were registered by Frank Mitchell and Steve Schrepp.

The Venice junior varsity, with Bill Shambo scoring 11 points, won its first game this year in the varsity preliminary, 38-22.

The Venice "B" squad came out on the short end of an unusually low score in the preliminary game, 9-12. The visitors hit only two of 20 shots in the first half and made only one field goal in the second. Venice hosts Jerseyville at 6:45 tonight.

## Modern Teachers Win Classic Loop Cage Games

Modern Extremists kept its Granite City park district Classic basketball league record intact Thursday night, but it took some clutch shooting in an overtime period before the defending champions edged Friedman 72-70 at the Frather JHS gym.

The Teachers staged a 22-point fourth quarter rally to break open a tight ball game with Spangler Oil in other Classic loop play Thursday, and went on to a 59-54 win. It was the first game of the season for both of the latter teams.

Clarence Hadd led all scorers in the first game, pouring in 25 points for the improved Friedman's five. The game was tied at 35-all at halftime, the Extremists inched to a 51-48 lead at the end of three quarters and Friedman's knotted the score at 67-67 before regulation time ran out.

Dave Hrysko scored 20 points for the Extremists, and Bob Page 17 more. Don Williams was the second Friedman's player in double figures with 15.

Spangler Oil led the Teachers for more than three quarters of the second game, but the eventual winners overcame a 37-42 third quarter deficit, outscored Spangler by 10 points in the final stanza, and got a big 31-point run from Bob Miller in the process.

Gus Lignoul paced Spangler with 17, Andy Reznack had 13 and the Teachers' Carroll Sanders contributed 15.

Thursday night at the Frather JHS court, Spangler Oil and Friedman's will tangle at 7, while Extremists will meet Bowland at 8:15.

## Lester Cook Honored By Draft Officials

Lester P. Cook, 1812 Sken street, Madison, who is secretary of Local Draft Board 167 at 1304 Hillsboro avenue, Edwardsville, has been awarded a certificate of appreciation for his 10 years of service to the nation as an uncompensated official of the Selective Service System, it was announced today by Willard A. Manning, director of the system in Illinois.

The certificate is signed by President Eisenhower, Gov. Stratton, Gen. Hershey, national director of Selective Service, and Manning.

"In giving his service without pay for 10 years, including the Korean conflict, it is estimated that a Selective Service official has patriotically contributed the equivalent of well over a year's full-time work to the national defense and security," Manning said.

"To hire the services of these men down through the years would have cost the government millions of dollars," he added. "Their local communities as well as the State and Nation owe them respect and gratitude."

## Club, Agency Yule Gifting Co-Ordinate Center Open

Better to co-ordinate holiday giving by clubs, churches, agencies, organizations and individuals and to prevent duplication and possible oversight, the Tri-Cities Christmas Clearing House is now operating at headquarters at the Salvation Army Recreation Center, 1924 State street. The center was set up by the Tri-Cities United Food Social Council.

All Tri-City organizations making a practice of giving Yuletide baskets, toys, gifts or clothing to the needy, underprivileged, ill, handicapped, shut-ins and invalids have the services of the clearing house available to them. Individuals, too, who desire to get names of needy, underprivileged or ill to include on their Christmas gift list are invited to use this facility.

In Operation A Week: Capt. Mildred Walker of the Salvation Army corps here is in charge of the co-ordinating center. It opened last Monday, and is compiling a cross-indexed file for use of givers.

Letters have gone out to many local area clubs, agencies and welfare organizations advising they use the clearing house so that duplicate giving be prevented and that none is overlooked. "As it operates," Capt. Walker explained today, "clubs, agencies, churches, the Salvation Army and welfare organizations provide the clearing house with lists of those who have applied for Christmas baskets and others whom they want to remember with baskets or other gifts this holiday season."

Want No Oversight: "We run a cross-check of these lists, thereby attempting to prevent duplication and to see that no deserving family is overlooked. The clearing house wants to help in an equitable distribution of baskets, so that one family may not get two or more and another go without. Individuals who desire lists of needy, deserving, shut-ins or invalids, may find our service of help."

Capt. Walker said that work of cross-indexing basket applications is underway but incomplete, since all lists are not made out.

In addition to the Salvation Army, she enumerated the Catholic Charities, the Protestant Welfare Association, the Red Cross as among the welfare agencies giving Christmas baskets and gifts. Red Cross distribution is generally among servicemen and their families, she noted.

Youth Groups Participate: Others who are co-ordinating their Yuletide giving through the clearing house are the YMCA

Highlight of the evening will be announcement of the 1961 Miss and Mr. Venetian, the yearbook queen and king.

Candidates for queen are Miss Wanda Black, daughter of Mr. and Mrs. Wm. Black sr., 217 Ashbrook street; Miss Sharon Townsend, daughter of Mr. and Mrs. Delbert Townsend, 719 Brown street; and Miss Betty Jo Turner, daughter of Mr. and Mrs. J. W. Turner, 109 Abbott street.

King candidates are John Koelker, son of Mr. and Mrs. Harold Koelker, 207 Hamden street; Bill Shambro, son of Mr. and Mrs. Samuel Shambro, 1238 Crook street; and Philip Smith, son of Mr. and Mrs. William Smith, 1301 Klein street. All are members of the senior class at Venice high.

**Voting on Candidates**

The queen and king are elected by secret ballot of all students and school employees who purchased copies of the 1961 Venetian. The identity of the two is not revealed until the night of the coronation.

This year, the actual coronation ceremony will be omitted since the retiring 1960 Miss Venetian, Miss Judy Letner, died a short time ago. The retiring king is Ronnie Wyatt, son of Mr. and Mrs. L. Wyatt, 106 Granville street. The new king and queen will be wearing their crowns when they make their first appearance.

Trainbearers for the evening will be Miss Lee Ann Burgess, daughter of Mr. and Mrs. Wm. Burgess, 629 Lincoln avenue; and Miss Christine Rumpf, daughter of Mr. and Mrs. Fred Rumpf, 111 Abbott street. Both girls are members of the kindergarten class at Venice.

Master-of-ceremonies will be Larry Gray, son of Mr. and Mrs. Marion Gray, 122 Granville street. He also is a senior.

**School Activities**

All of the candidates are active in the school. Miss Black helps in the library and is a member of the Booster Club. Miss Townsend has the job of keeping the senior's money affairs in order. She has held this position for two years in her class.

Miss Turner is a member of the band, sings in the chorus, works in the library, is treasurer of the Future Homemakers and secretary of the Book Club.

Koelker is active in baseball and track and at present is a member of the first five in the basketball team. He also is a member of the Junior Red Cross and the Booster Club.

Shambro also is a member of the starting team on the basketball team, plays in the band and is active in Jr. Red Cross. He was a member of the baseball team this fall.

Smith is president of the student council, vice-president of Jr. Red Cross, a member of the chorus and a student librarian. He is the reigning Jr. Red Cross Friendship King.

**Sixth Annual Coronation**

This will be the sixth annual coronation.

The variety show will include numbers from both the grade school and high school. The numbers are selected from two preliminary elimination programs held on Nov. 16 and Nov. 22. Faculty members served as the judges.

The following persons will sing solos: Jeanette Gontermann, "Have Yourself a Merry Little Christmas"; Sue Smith, "Open Up Your Heart"; Harry Long, "I Had a Little Monkey"; Dale Barritt, "Harbor Lights"; Billy Young, "God's Little Candles"; Mike Lopez, "Alone"; and Robert DuBoise, "May You Always."

Vocal duets will be presented by Gloria Barnes and Patricia Anderson, "Tallac"; Margaret Chestman and Carolyn Owens, "Do Lord"; Charles Brown and Donald Spiller, "He's Got the Whole World in His Hands"; Donna Hawkins and Susan Hasty, "Peg of My Heart"; and Ramona Allen and Ken McMillan, "Silver Bells."

**Baton Twirling**

Patricia Stilton and Joyce Davis will present solo baton twirling acts, while Mary Margaret Caruso will play an accordion solo, "Lady of Spain."

The school dance band will play "Teen Bop" and Diane Adams will play a piano solo, "Acrobatic Stunts."

Acrobatic stunts will be performed by Judy Austin, Sandra DuBoise, Janice Hayden and Francis Coggins.

Barbara Blattner and Karen Devany will present a tap dance number; a high school boy chorus line will do the "Charleston"; and another group, featuring Donna Sawyer and Jackie Fields, will dance to "Honky-Tonk."

**Vocal Quartet**

A vocal quartet, Frances Mann, Marilyn Hasty, Cathy Price, and Phyllis Hawkins, will sing "Maggie Blues." Another group, with Donna Ming as soloist, will sing "Do-Re-Me." A sextet will open the evening singing "Getting to Know You."

A vocal group composed of members of the Book Club will present the song, "Kids, Kids, Kids," accompanied by a skit.

Another group, "Twelve Days 'Til Christmas," will sing.

The evening's program will be concluded with everyone on the program singing "Santa Claus is Comin' to Town," "Winter Wonderland," and "It Came Upon a Midnight Clear."

The audience will join them in singing "Rudolph, the Red-Nosed Reindeer," "Jingle Bells," and "White Christmas."

Accompanists for the evening will be Miss Judy Edwards, Miss Helen Koelker, Miss Jackie Selbert, Miss Shirley Gott and Mrs. Barbara Williams.

Admission charges are 35 cents for students and 50 cents for adults.

**Fire Threatens Property**

A rubbish fire in the alley at the rear of the home of Walter Eddmann, 1215 Edwardsville road, threatened to spread to a house trailer, a dwelling on the rear of the lot and a fence before being extinguished Sunday afternoon by firemen from the main Granite City station.

**KING, QUEEN CANDIDATES** at Venice high school are (front row, left to right) Misses Wanda Black, Sharon Townsend and Betty Jo Turner and (back row, left to right) Bill Shambro, John Koelker and Philip Smith. Winners will be announced at a coronation and variety program Thursday night at the school.

## Optimists' Tree Sales Lot Open; Opti-Mrs Also Sell

A "forest" of Christmas trees has sprung up at the 24th street and Madison avenue sales lot, and Granite City Optimists hope it all leveled long before Dec. 25.

Three—small, large and medium-sized—in fact, two railway carloads of them, are now on sale at the lot, close by the new fire station. Selling got underway last Thursday.

Additionally, Yule wreaths, other interior and exterior decorative pieces and sprays of pine, cedar and spruce, as well as boughs, are on sale.

The community's three Optimist groups, the Daybreak, Noontide and Twilight clubs, have joined in this annual benefit sale of trees. Decorations and boughs are the handiwork of the Opti-Mrs. the women's auxiliary of the service clubs.

Clubs, on a competitive basis, have been selling tickets which may be credited on purchase of trees. All funds from the tree sales are divided among the service organizations to further their boys' programs and youth projects.

## Christmas Seal Sale Reminders Mailed

Madison county residents will soon be receiving a colorful reminder about Christmas Seals.

Dec. 7th has been designated as "Seal Day," the reminder is a plea to ask those who have received seals to send in their contribution.

Mrs. Betty McClintock, executive secretary, reports that so far this year the Christmas Seal appeal total is \$18,618. By this time last year \$18,628.30 had been received.

The X-ray and follow-up program in Madison county is made possible only through the purchase of Christmas Seals. This year, 20,390 X-rays were taken, and 588 chest conditions were found.

The association suggests—"Use the bright Christmas Seals on your Christmas mail and packages. Your TB Association asks you to answer your Christmas Seal letter—Do It Today."

## Minor Fire Alarm

A minor fire alarm was answered about 5:30 p.m. Friday by firemen from the main station who went to the rear of the City Grocery, 20th and State streets to extinguish a trash fire that was started in a trash pit.

A high wind threatened to scatter the burning debris. No damage was reported.

## Moving Day Set For Hospital Office Staff Into New Wing

Wednesday, Dec. 14 will be moving day for office personnel, clerks and secretarial and accounting staff of St. Elizabeth Hospital.

And they will find themselves in new, commodious, well-lighted, attractively decorated quarters in the new addition, something in sharp contrast to the present cramped office space.

For visitors and patients, too, it will be a treat. A large lobby will be available for their use.

Sister M. Francis, hospital accountant, today said that as soon as engineers complete installation of new hospital wing heating facilities, the present office will be moved into ground floor section of the wing.

She said that she expects this to be done on Dec. 14.

Sister Francis pointed out that after the office is moved, main entrance to the hospital will be at the Madison and N. 24th avenues triangle. Present entrance is at 2100 Madison avenue.

## Mrs. Mabel P. Letner, 78, Dies of Pneumonia

Three reports of egg and rock hurling vandalism were received Sunday afternoon and evening by Granite City police within three-hour period.

The first report of egg hurling was received about 3:25 p.m. from a resident in the 2200 block of Dewey avenue, who said eggs had been thrown against her home. At 6:15 p.m. another egg-hurling report was received from a resident of the 2500 block of Cleveland Blvd., and 10 minutes later, a resident of Briardiff reported rocks had been thrown at his house. The vandals were not found.

## Firemen Douse 2 Weed Fires On Single Run

Main station firemen made a double alarm out of a single run Friday afternoon, extinguishing two weed fires within a matter of minutes.

The firefighters were called at 3:50 p.m. to douse weeds in a field in the 2800 block of Sunset drive, and as they were returning to the station house a short time later, they discovered a similar fire on a vacant lot at East 37th street and Nameski road.

Another fire run made Friday afternoon sent the Nameski road crew to extinguish a grass fire at the home of Paul Hollis, 3318 Wabash avenue. The grass was ignited by burning trash. No damage was reported.

MRS. NEUMANN AGAIN  
ELECTED PRESIDENT

Mrs. Alice Ann Neumann was re-elected president of the St. Elizabeth Altar Society for the coming year during the annual election of officers Wednesday evening in the auditorium of the church.

Elected to serve with her for 1961 were Mrs. Emma Jakich, vice-president; Mrs. Roberta Lambert, secretary; and Mrs. Annella Seiter, treasurer. Mrs. Neumann opened the meeting with prayer and welcomed three guests, Mrs. Paul Duff, Mrs. Betty Duff and Mrs. Zora Conlin.

The third grade room taught by Mrs. Rose Zomovic was the number of mothers present at the meeting.

The social hour followed the business meeting, and refreshments were served to 61 by a committee headed by Mrs. Frank Pare, who also gave a reading on the "True Meaning of Christmas."

The serving table appointments carried out the Christmas theme, with a variety of food and games playing throughout the evening. A musical was given by the children, with Christmas decorations interspersed among the scenery.
